*Interest Charges: For periods on or after April 30, 2024, interest shall be set at an annual rate of 8% above the underpayment rate established under [Section 6621\(a\)\(2\)](#) of the Internal Revenue Code. Unlike penalty charges, interest is computed on the tax due to each member jurisdiction, rather than the net total due with your report.

*IFTA Penalties: IFTA legislation states that a penalty of \$50.00 or 10% of the taxes owed (whichever is greater) will be calculated on late-filed reports, failure to file or for underpayment of tax due. If the net tax liability is zero or a credit, you will owe the late filing penalty.
